

PROSTATE CANCER SUPPORT AND EDUCATION GROUP

Events for 2021

Whether you're newly diagnosed and just learning about prostate cancer, or if you're a long-time survivor and want to know what's new in prostate cancer treatment and management, this group is for you. Sessions include patient support, as well as informative sessions with speakers presenting on topics such as prostate cancer treatments, anxiety, nutrition, and more.

All prostate cancer survivors and their family members are welcome. The group is held on the third Thursday of each month, from 6 to 8 p.m.
